**2. Revisions to Section 2.6.6, Task S0-01, System Implementation**

Delete the following paragraph in its entirety:

2.6.6 Task S0-01, System Implementation

The contractor shall implement the system in four one-year phases in accordance with the guidelines stated within section 2.5.6 and all subparagraphs. This approach breaks the implementation process into manageable parts with reasonable budgets. It also establishes important standards and provides usable products and components early in the process.
