

METROPOLITAN WASHINGTON  
AIRPORTS AUTHORITY

**RFP No. 1-08-C117**

**Temporary Skilled Trades Personnel Support Services**

1. Question: In the proposal you are asking for supervision, yet in the price schedule you don't have an item to price a supervisor. Please explain.

**Answer: Contractors are responsible for temporary personnel whether on or off-site. Airports Authority authorized representatives supervise daily performance as a function to ensure accuracy and completeness, only. The Airports Authority will provide supervision at all times either by a group leader or supervisor.**

2. Question: Do we add the cost of tools to the hourly rate?

**Answer: The Airports Authority will provide all tools and equipment necessary to complete all projects on-site. Tools and equipment shall not be included in the fixed hourly rates.**

3. Question: Explain the Structural Mechanic classification. This person could be a carpenter or drywall mechanic?

**Answer: Reference Statement of Work, Section III, General Description of Duties, Paragraph A.**
