

RFP 1-08-C130

**ROUTE 28 CONCRETE WALL EXTENSION
WASHINGTON DULLES INTERNATIONAL AIRPORT**

QUESTIONS AND ANSWERS

MAY 2, 2008

1. Question: Who is responsible for hiring a third party construction materials testing and inspection firm, owner or general contractor? If neither, how are these services being handled?

Answer: The testing and inspection firm is handled by the general contractor. The testing/inspection firm must meet the requirements of the specs.
