AGREEMENT

AND DEED OF LEASE

March 2, 1987

Agreement and Deed of Lease between the United States of America, acting by and through the Secretary of Transportation ("the Secretary"), and the Metropolitan Washington Airports Authority ("the Airports Authority"), a public body politic and corporate created by compact between the Commonwealth of Virginia and the District of Columbia with the consent of the Congress.

WHEREAS, in the Metropolitan Washington Airports Act of 1986, Title VI of Public Law 99-591 ("the Act"), the Congress declared its purpose to be to authorize the transfer of operating responsibility under a long-term lease of the Metropolitan Washington Airport properties as a unit, including access highways and other related facilities, to a properly constituted independent airport authority created by the Commonwealth of Virginia and the District of Columbia, in order to achieve local control, management, operation, and development of these important transportation assets;

WHEREAS, the Act authorized the Secretary to enter into such a lease in order to enable the financing of badly needed capital improvements;

WHEREAS, in Chapter 598, Virginia Acts of Assembly, 1985, as it may be amended, and in the District of Columbia Regional Airports Authority Act of 1985, D.C. Law 6-67, as it may be amended, the Commonwealth of Virginia and the District of Columbia, respectively, enacted essentially identical laws to create the Airports Authority to acquire the Metropolitan Washington Airports from the United States, by lease or otherwise;

WHEREAS, the Congress has found that the two federally owned airports in the metropolitan area of Washington, District of Columbia constitute an important and growing part of the commerce, transportation and economic patterns of the Commonwealth of Virginia, the District of Columbia, and the surrounding region;

WHEREAS, the Congress has found that the Federal Government has a continuing but limited interest in the operation of the two federally owned airports serving the travel and cargo needs of the entire Metropolitan Washington region as well as the District of Columbia as the national seat of government;

WHEREAS, the Congress has found that operation of the Metropolitan Washington Airports by an independent local agency will facilitate timely improvements at both airports to meet the growing demand of interstate air transportation occasioned by the Airline Deregulation Act of 1978;

Metropolitan Washington Airports Lease

WHEREAS, the Congress has found that all other major air carrier airports in the United States are operated by public entities at the State, regional or local level;

WHEREAS, the Congress has found that any change in the status of the two airports must take into account the interest of nearby communities, the traveling public, air carriers, general aviation, airport employees, and other interested groups, as well as the interests of the Federal Government and the State governments involved;

WHEREAS, the Congress has found that an operating authority with representation from local jurisdictions, similar to authorities at all major airports in the United States, will improve communications with local officials and concerned residents regarding noise at the Metropolitan Washington Airports; and

WHEREAS, the Congress has found that the Federal interest in these airports can be provided through a lease mechanism which provides for local control and operation.

NOW THEREFORE, under the authority of the Metropolitan Washington Airports Act of 1986, Title VI of Public Law 99-591, 100 Stat. 3341; Chapter 598, Virginia Acts of Assembly, 1985, as it may be amended; and the District of Columbia Regional Airports Authority

(2) The Airports Authority agrees that any action changing or having the effect of changing the hours of operation of or the type of aircraft serving either of the Metropolitan Washington Airports may be taken only by adoption of or amendment to regulations of the Airports Authority.

Except as provided in subparagraph 2 of this paragraph, the Airports Authority hereby agrees that it shall assume all rights, liabilities, and obligations (tangible and incorporeal, present and executory) of the Secretary with respect to the Metropolitan Washington Airports organization of the Federal Aviation Administration on the effective date of this lease, including leases, permits, licenses, contracts, agreements, claims, tariffs, accounts receivable, accounts payable, and litigation relating to such rights and obligations, regardless whether judgment has been entered, damages awarded, or appeal taken. To the extent practicable, the Secretary shall provide at the effective date of this lease a summary list of the foregoing which involve material obligations.

In determining the amount due, the Office of Personnel Management shall take into consideration the actual interest such amount can be expected to earn when invested in the Treasury of the United States.

16.C. Delinquent Payments.

In the event payments under this lease are delinquent so as to constitute an Event of Default under subparagraph B.(1) of Article 23, the Secretary may, in addition to other rights available under this lease, assess interest at the Treasury Current Value of Funds Rate as prescribed by the Secretary of the Treasury on the date payment was due. In addition to this interest, penalty charges not to exceed six percent per year shall be assessed on any portion of a payment which is over 90 days past delinquent. As between the parties hereto, the Airports Authority assumes all risk and liability for itself, its agents, employees, or contractors for any injury to persons or property resulting in any manner from the conduct of its operations, and the operations of its agents, or employees, and for any loss, cost, damage or expense resulting at any time from any cause due to any act or acts, negligence, or the failure to exercise proper precautions, of or by itself or its agents, or its employees, while occupying or operating the Metropolitan Washington Airports. Article 27. Lease Not Affected by Oral Agreement.

No oral statement of any person shall modify or otherwise affect the terms, conditions, or limitations stated in this lease. All modifications to this lease must be made in writing by the Secretary and the Airports Authority or their authorized representatives.

This lease shall be governed by and construed in accordance with federal law. To the extent that the application of federal law requires or permits the application or consideration of state law, the parties agree that the law of the Commonwealth of Virginia is most relevant to this lease and shall be applied or considered. The powers of the Secretary with respect to this

lease shall be construed in accordance with and governed by Federal law, and the powers of the Airports Authority with respect to this lease shall be construed in accordance with and governed by Virginia law.

Article 29. No Waiver.

No failure by either party to insist upon the strict performance of any agreement, term, covenant or condition hereof or to exercise any right or remedy consequent upon a breach thereof, and no payment or acceptance of full or partial payments during the continuance of any such breach, shall constitute a waiver of any such breach or of such agreement, term, covenant or condition. No waiver of any breach shall affect or alter this lease, but each and every agreement, term, covenant and condition hereof shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof.

Article 30. Captions.

The captions and headings in this lease are inserted only as a matter of convenience and for reference, and they in no way define, limit or describe the scope of this lease or the intent of any provision thereof.

(iv) stating the address to which notices to the Secretary are to be sent.

Any such statement delivered by the Secretary may be relied upon by any lender, bond holder, trustee or other person proposing to enter into agreements with the Airports Authority as an estoppel of the Secretary's right to assert a position inconsistent with such position.

Article 33. Force Majeure.

In the event that either party to this lease is in any way delayed, interrupted or prevented from performing any of its obligations under this lease, and such delay, interruption or prevention is due to fire, act of God or any other cause, whether similar or dissimilar, beyond such party's reasonable control, then the time for performance of the affected obligations by such party shall be excused for the period of the delay and extended for a period equivalent to the period of such delay, interruption or prevention.

Article 34. Inclusion of BWI not Precluded.
