

**OCTOBER 2014**  
**DULLES CORRIDOR ENTERPRISE**  
**REPORT OF THE FINANCIAL ADVISORS**

The Airports Authority established the Dulles Corridor Enterprise (DCE) Fund to segregate the financial activity associated with the operation, maintenance and improvement of the Dulles Toll Road (DTR) and construction of the Dulles Corridor Metrorail Project (Rail Project) from the financial operations of the Airports. This report provides an update on the status of capital financing activities and other issues related to the DCE Fund.

**Informational Items**

- ***Transportation Infrastructure Finance and Innovation Act (TIFIA) Loan.*** Fairfax County and Loudoun County continue to negotiate the final business terms for TIFIA loans in amounts not to exceed \$403.3 million and \$195.1 million, respectively.

**Relevant News Items**

- **Dulles Toll Road Transponder Giveaway**

To celebrate the 30<sup>th</sup> Anniversary of the Dulles Toll Road, the Airports Authority is providing an opportunity to win E-ZPass transponders. Anyone can register online for the contest. Thirty winners were randomly selected on October 1 and one additional winner will be selected each day during the month of October.

Each transponder is preloaded with \$15 in toll credits. If the transponder is subsequently registered online, an additional \$20 is added to the E-ZPass account for a total value of \$35. Current E-ZPass customers could enter a bonus drawing for a \$30 credit to their accounts.

- ***E-ZPass Promotions.*** Toll facility operators in Virginia are actively promoting the use of electronic toll collection transponders:

#### E-ZPass Reload Card

On September 16, 2014, VDOT announced the availability of the Virginia E-ZPass Reload Card which enables E-ZPass customers who prefer not to use credit or debit cards to replenish their E-ZPass accounts with cash at participating Virginia retailers.

#### 495 Express Lanes Free Lunch Time Travel and Friday Giveaways

Transurban, the private operator of the 495 Express Lanes, invited drivers to register for two promotions. The first event allowed registered drivers to use the Express Lanes for free between 11 a.m. and 2 p.m. during the week of September 22 and provided coupons for lunch at one of twelve participating restaurants.

The second promotion is a Friday Giveaway Sweepstakes. Each week between September 26 and November 14, 2014, Transurban will select a winner in a random drawing. Drivers with valid E-ZPass transponders could register online. Others could enter the sweepstakes by mail. Potential prizes include a spa package, tickets and dinner for two at Wolf Trap or \$1,000.

- ***New York Tappan Zee Bridge Financing.*** On September 16, 2014, the United States Environmental Protection Agency determined that approximately \$482 million of projects related to the replacement of the Tappan Zee Bridge are not eligible for funding under the Clean Water State Revolving Fund (CWSRF) program. New York Governor Andrew M. Cuomo had proposed to use low-cost financing available under the federal CWSRF program to help keep tolls on the new bridge as low as possible.

The New York State Thruway Authority secured a \$1.6 billion TIFIA loan for the \$3.9 billion Tappan Zee Bridge project in December 2013, but it has not disclosed a detailed financial plan for the project or the potential toll increases that may be required to support the financing.

<sup>2</sup> The amount outstanding includes approximately \$184 million of net accreted value on outstanding capital appreciation bonds and convertible capital appreciation bonds. Interest on those securities is not paid currently. It accretes from the date of issuance and is compounded semi-annually on each April 1 and October 1 until the maturity date, or if applicable, the conversion date, whereupon interest will be payable semi-annually.

<sup>3</sup> Series 2010C was authorized but not issued.

<sup>4</sup> Bonds insured by Assured Guaranty are rated "AA-" (stable outlook) by S&P and "A2" (stable outlook) by Moody's.

### *Refunding Opportunities*

The Series 2009A First Senior Current Interest Bonds may be refunded in advance of the 2019 call date. Under current market conditions, a refunding will not generate sufficient debt service savings to pursue a transaction due to the significant negative arbitrage in the required refunding escrow.

<sup>5</sup> The all-in interest cost for the Series 2009, 2010 and 2014A bond issues is 6.044 percent, 6.154 percent and 4.824 percent, respectively, which results in an overall average cost of capital of 5.843 percent. The potential cost of capital including TIFIA will vary depending on when funds are drawn and the timing of future TIFIA payments and prepayments.

<sup>6</sup> The Make-Whole Redemption Price is the greater of (i) 100 percent of the principal amount of the Bonds to be redeemed and (ii) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Bonds to be redeemed discounted to the date on which the Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the adjusted Treasury Rate plus 50 basis points, plus accrued and unpaid interest on the Bonds to be redeemed on the redemption date.
