

**Recommendation Paper to the
Business Administration Committee
For
Specialized Electronic Systems (SES)
Operation and Maintenance Services
at Washington Dulles International Airport**

February 2013

Staff requests that the Business Administration Committee approve and recommend that the Board of Directors award the Specialized Electronic Systems (SES) contract at Dulles International to International Display Systems (IDS), Inc., effective July 1, 2013.

- In May 2012, a pre-solicitation paper outlining this contract solicitation was presented to, and approved by, the Business Administration Committee.
- Three proposals were received and evaluated. IDS received the most positive technical and pricing scores.
- The term for this contract consists of a two-year base period with three one-year option periods. The total amount for the five-year period is \$5,729,620.
- Local Disadvantaged Business Enterprise (LDBE) participation requirement is 25 percent.

The SES contract requires support services 24 hours a day, 365 days a year for the following systems:

- Flight and Baggage Information Screens
- Common Use Passenger Ticketing System
- International Arrivals Building (IAB) Passport Control Signage
- Ticket Counter Signage System
- 'Welcome To Virginia' Video Display System
- TSA Security Information Monitors at Security Checkpoints
- Electronic Visual Messaging/Wayfinding Signage

Staff requests that the Business Administration Committee approve and recommend that the Board of Directors award the Specialized Electronic Systems (SES) contract at Dulles International to International Display Systems (IDS), Inc., effective July 1, 2013.
