ARTICLE I

DEFINITIONS AND RULES OF CONSTRUCTION

Section 101. Definitions.

The following terms, for all purposes of this Indenture, shall have the following meanings unless a different meaning clearly applies from the context:

"Account" shall mean any account or subaccount created in any Fund created hereunder or under a Supplemental Indenture.

"Accreted Value" shall mean (a) with respect to any Capital Appreciation Bonds, as of any date of calculation, the sum of the amount set forth in a Supplemental Indenture as the amount representing the initial principal amount of such Capital Appreciation Bonds plus the interest accumulated, compounded and unpaid thereon as of the most recent compounding date, or (b) with respect to Original Issue Discount Bonds, as of the date of calculation, the amount representing the initial public offering price of such Original Issue Discount Bonds plus the amount of the discounted principal which has accreted since the date of issue; in each case the Accreted Value shall be determined in accordance with the provisions of the Supplemental Indenture authorizing the issuance of such Capital Appreciation Bonds or Original Issue Discount Bonds.

"Acts" shall mean, collectively, Chapter 598, Virginia Acts of Assembly of 1985, as amended, and the District of Columbia Regional Airports Authority Act of 1985 (D.C. Law 6-67), as amended.

"Airport Consultant" shall mean a firm or firms of national recognition experienced in the field of planning the development, operation and management of airports and aviation facilities, selected and employed by the Authority from time to time.

"Airports" shall mean Ronald Reagan Washington National Airport, located in Arlington County, Virginia, Washington Dulles International Airport, located in Fairfax County and Loudoun County, Virginia and any other airport over which the Authority assumes ownership or operating responsibility and that the Authority designates as a part of the Airports under this Indenture; provided, however, that the requirements set forth in Section 213 hereof for the issuance of additional Bonds shall be satisfied on the date designated by the Authority for inclusion of such designated airport, assuming the issuance of additional Bonds in an amount equal to the aggregate principal of any indebtedness then outstanding issued or incurred or otherwise payable from the revenues of such airport if such indebtedness is intended to be secured on a parity basis with the Bonds by the pledge of Net Revenues hereunder (including revenues of such designated airport).

"Annual Debt Service" shall mean the amount of payments required to be made for principal of and interest on all Bonds, including mandatory sinking fund redemptions and Regularly Scheduled Hedge Payments to be made by the Authority, and Authority payments pursuant to Reimbursement Agreements with Credit Providers to reimburse such Credit Providers for debt service payments made, and to pay credit enhancement or liquidity support fees, in each case to the extent secured by this Indenture, scheduled to come due within a specified Fiscal Year, computed as follows:

(a) In determining the amount of principal to be funded in each year, payment shall (unless a different subsection of this definition applies for purposes of determining principal maturities or amortization) be assumed to be made on Outstanding Bonds (other than Short-Term/Demand Obligations) in accordance with any amortization schedule established by the

governing documents setting forth the terms of such Bonds, including, as a principal payment, the Accreted Value of any Capital Appreciation Bonds or Original Issue Discount Bonds maturing or scheduled for redemption in such year; and in determining the amount of interest to be funded in each year, interest payable at a fixed rate shall (except to the extent any other subsection of this definition applies) be assumed to be made at such fixed rate and on the required funding dates.

(b) Except for any historical period for which the actual rate or rates are determinable and except as otherwise provided herein, Bonds that bear interest at a variable rate shall be deemed to bear interest at a fixed annual rate equal to (i) the average of the daily rates of such indebtedness during the 365 consecutive days (or any lesser period such indebtedness has been Outstanding) next preceding the date of computation; or (ii) with respect to any Bonds bearing interest at a variable rate which are being issued on the date of computation, the initial rate of such indebtedness upon such issuance.

(c) Any Bonds that bear interest at a variable rate and with respect to which there exists a Hedge Facility that obligates the Authority to pay a fixed interest rate or a different variable interest rate shall (for the period during which such Hedge Facility is reasonably expected to remain in effect) be deemed to bear interest at the effective fixed annual rate or different variable rate thereon as a result of such Hedge Facility. In the case of any Bonds that bear interest at a fixed rate and with respect to which there exists a Hedge Facility that obligates the Authority to pay a floating rate, Annual Debt Service shall (for the period during which such Hedge Facility is reasonably expected to remain in effect) be deemed to include the interest payable on such Bonds, less the fixed amounts received by the Authority under the Hedge Facility, plus the amount of the floating payments (using the convention described in (b) above) to be made by the Authority under the Hedge Facility.

(d) If all or any portion of an Outstanding Series of Bonds constitute Balloon Maturities, unissued Program Bonds or Short-Term/Demand Obligations, then, for purposes of determining Annual Debt Service, each maturity that constitutes a Balloon Maturity, unissued Program Bonds or Short-Term/Demand Obligations shall, unless otherwise provided in the Supplemental Indenture pursuant to which such Bonds are authorized or unless provision (e) of this definition then applies to such maturity, be treated as if it were to be amortized over a term of not more than 30 years and with substantially level annual debt service funding payments commencing not later than the year following the year in which such Balloon Maturity, unissued Program Bonds or Short-Term/Demand Obligations were issued, and extending not later than 30 years from the date such Balloon Maturity, unissued Program Bonds or Short-Term/Demand Obligations were originally issued; the interest rate used for such computation shall be that rate quoted in The Bond Buyer 25 Revenue Bond Index for the last week of the month preceding the date of calculation as published by *The Bond Buyer*, or if that index is no longer published, another similar index designated by an Authority Representative, taking into consideration whether such Bonds bear interest which is or is not excluded from gross income for federal income tax purposes; with respect to any Series of Bonds only a portion of which constitutes Balloon Maturities, unissued Program Bonds or Short-Term/Demand Obligations, the remaining portion shall be treated as described in (a) above or such other provision of this definition as shall be applicable, and with respect to that portion of a Series that constitutes Balloon

Maturities, all funding requirements of principal and interest becoming due in any year other than the stated maturity of the Balloon Indebtedness shall be treated as described in (a) above or such other provision of this definition as shall be applicable.

(e) Any maturity of Bonds that constitutes a Balloon Maturity as described in provision (d) of this definition and for which the stated maturity date occurs within 12 months from the date such calculation of Annual Debt Service is made, shall be assumed to become due and payable on the stated maturity date, and provision (d) above shall not apply thereto, unless there is delivered to the entity making the calculation of Annual Debt Service a certificate of an Authority Representative stating (i) that the Authority intends to refinance such maturity, (ii) the probable terms of such refinancing and (iii) that the debt capacity of the Authority is sufficient to successfully complete such refinancing; upon the receipt of such certificate, such Balloon Maturity shall be assumed to be refinanced in accordance with the probable terms set out in such certificate and such terms shall be used for purposes of calculating Annual Debt Service; provided that such assumption shall not result in an interest rate lower than that which would be assumed under provision (d) above and shall be amortized over a term of not more than 30 years from the expected date of refinancing.

(f) In any computation relating to the issuance of additional Bonds required by Section 213 and any computation required by Section 604, there shall be excluded from the computation of Annual Debt Service principal of and interest on indebtedness for which funds are, or are reasonably expected to be, available for and which are irrevocably committed to make such payments, including without limitation any such funds in an escrow account or any such funds constituting capitalized interest held in any fund or account created by this Indenture.

Nothing contained in this Section obligates the Authority to take any action in violation of any applicable requirements imposed by law.

(c) The Authority covenants that if, upon the receipt of the audit report for a Fiscal Year, the Net Revenues in such Fiscal Year are less than the amount specified in subsection (a) of this Section, the Authority will require the Airport Consultant to make recommendations as to the revision of the Authority's schedule of rentals, rates, fees and charges; and upon receiving such recommendations or giving reasonable opportunity for such recommendations to be made, the Authority, on the basis of such recommendations and other available information, will take all lawful measures to revise the schedule of rentals, rates, fees and charges for the use of the Airports as may be necessary to produce Net Revenues in the amount specified in subsection (a) of this Section in the Fiscal Year following the Fiscal Year covered by such audit report.

(d) In the event that Net Revenues for any Fiscal Year are less than the amount specified in subsection (a) of this Section, but the Authority promptly has taken in the next Fiscal Year all available lawful measures to revise the schedule of rentals, rates, fees and charges for the use of the Airports required by subsection (c) of this Section, there shall be no Event of Default under the provisions of Section 701(d) hereof for failure to observe or perform any covenant or agreement contained in this Section. Nevertheless, if after taking the measures required by Subsection (c) of this Section to revise the schedule of rentals, rates, fees and charges for use of the Airports, Net Revenues in the fiscal year during which such adjustments are required to be made (as evidenced by the audit report for such Fiscal Year) are less than the amount specified in subsection (a) of this Section there shall be an Event of Default pursuant to Section 701(e).

Section 605. Management of Airports.

The Authority will not take, or allow any person to take, any action which would cause the Administrator of the Federal Aviation Administration, Department of Transportation, or any successor to the powers and authority of such Administrator, to suspend or revoke the Airports, operating certificates issued under the Federal Aviation Act of 1958, or any successor statute. The Authority will comply with all valid acts, including the Acts, rules, regulations, orders and directives of any governmental, legislative, executive, administrative or judicial body applicable to the Airports and with the Federal Lease, unless the same shall be contested in good faith, all to the end that the Airports will remain in operation at all times.

Section 606. Operation and Maintenance of Airports.

The Authority covenants that it will operate and maintain the Airports as a revenue producing enterprise in accordance with the Federal Lease and the Acts. The Authority will make such repairs to the Airports as shall be necessary or appropriate in the prudent management

thereof. The Authority covenants that it will operate and maintain the Airports in a manner which will entitle it at all times to charge and collect fees, charges and rentals in accordance with airport use agreements, if any, or as otherwise permitted by law, and shall take all reasonable measures permitted by law to enforce prompt payment to it of such fees, charges and rentals when and as due. The Authority will, from time to time, duly pay and discharge, or cause to be paid and discharged, any taxes, assessments or other governmental charges lawfully imposed upon the Airports or upon any part thereof, or upon the revenues from the operation thereof, when the same shall become due, as well as any lawful claim for labor, materials, or supplies which, if unpaid, might by law become a lien or charge upon the Airports or such revenues, or which might impair the security of the Bonds.

Section 607. Maintenance of Powers; Retention of Assets.

(a) The Authority covenants that it will use its best efforts to keep the Airports open for landings and takeoffs of aircraft using facilities similar to those at the respective Airports and to maintain the powers, functions, duties and obligations now reposed in it pursuant to law, and will not at any time voluntarily do, suffer or permit any act or thing the effect of which would be to hinder, delay or imperil either the payment of the indebtedness evidenced by any of the Bonds or any other obligation secured hereby or the performance or observance of any of the covenants herein contained.

(b) The Authority covenants that it will not dispose of assets necessary to operate the Airports in the manner and at the levels of activity required to enable it to perform its covenants contained herein, including, without limitation, the covenants contained in Section 604 hereof.

Section 608. Insurance.

The Authority shall at all times (a) carry insurance or cause insurance to be carried with a responsible insurance company or companies authorized and qualified under the laws of any state of the United States of America to assume the risk thereof, covering such properties of the Airports as are customarily insured, and against loss or damage from such causes as are customarily insured against, by enterprises engaged in a similar type of business or (b) have adopted and maintain a risk financing plan for property and casualty losses which shall address such risks in accordance with Article 20 of the Federal Lease.

Section 609. Financial Records and Statements.

The Authority shall maintain proper books of record and accounts, in which full and correct entries shall be made in accordance with generally accepted accounting principles, of all its business and affairs. The Authority shall have an annual audit made by independent certified public accountants of recognized standing and shall within 120 days after the end of each of its Fiscal Years furnish to the Trustee copies of the balance sheet of the Authority as of the end of such Fiscal Year and complete audited financial statements of the Authority for such Fiscal Year, all in reasonable detail.

Section 610. Tax Covenants.

Except to the extent modified with respect to any Series of Bonds in the applicable Supplemental Indenture, the Authority covenants as follows:

(a) The Authority will make no use of the proceeds of any Series of Bonds, or permit any use of a Project, or take any action or permit any other action to be taken with respect to a Project, that would affect adversely the exclusion from gross income of interest on such Series of Bonds for federal income tax purposes and, if applicable, the non-tax preference status of such interest for federal alternative minimum income tax purposes.

(b) The Authority shall comply with covenants with respect to the use of proceeds of Bonds and the use of the Project as provided in the applicable Supplemental Indenture.

Section 611. Annual Budget.

The Authority shall, for each Fiscal Year, take such actions as may be required of it to prepare and adopt an annual budget in accordance with applicable law including the Acts. If, for any reason, the Authority is prevented or precluded from adopting an annual budget it shall nonetheless take such action as may be required to permit it to obligate and expend moneys for debt service on previously authorized obligations and obligations and expenditures for previously authorized capital expenditures and Operation and Maintenance Expenses.

Section 612. Covenant Against Competing Facilities.

The Authority covenants that it will not construct, operate, or enter into any agreement permitting or facilitating the construction or operation of, any facilities or structures that will compete with the operations of the Airports in a manner that would materially and adversely affect its ability to comply with the covenant set forth in Section 604(a) hereof; provided, however, that with respect to any airport designated by the Authority to be a part of the Airports, the ability to comply with the covenant set forth in Section 604(a) shall not be deemed materially and adversely affected for purposes of this Section if the Authority takes all lawful measures necessary to produce Net Revenues sufficient to satisfy the covenant set forth in Section 604(a) with respect to the first full Fiscal Year commencing after the date the Authority first assumes any responsibilities or obligations with respect to operation of such designated airport.

ARTICLE VII DEFAULT AND REMEDIES

Section 701. Events of Default.

Each of the following is hereby declared an "*Event of Default*" hereunder with respect to a Series of Bonds:

(a) if payment by the Authority in respect of any installment of interest on any Bond of such Series shall not be made in full when the same becomes due and payable;

(b) if payment by the Authority in respect of the principal of any Bond of such Series shall not be made in full when the same becomes due and payable, whether at maturity or by proceedings for redemption or otherwise;

(c) if payment of the purchase price of any Bond tendered for optional or mandatory tender for purchase in accordance with the provisions of the Supplemental Indenture providing for the issuance of such Bonds shall not be made in full as and when due;

(d) if the Authority shall fail to observe or perform any covenant or agreement on its part under this Indenture, other than the covenant or agreement set forth in Section 604 (a) hereof, for a period of 60 days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Authority by the Trustee, or to the Authority and the Trustee by the Holders of at least 25% in aggregate principal amount of Bonds of a Series then Outstanding; provided, however, that if the breach of covenant or agreement is one which cannot be completely remedied within the 60 days after written notice has been given, it shall not be an Event of Default with respect to such Series as long as the Authority has taken active steps within the 60 days after written notice has been given to remedy the failure and is diligently pursuing such remedy;

(e) if the Authority is required pursuant to Section 604(c) hereof to take measures to revise the schedule of rentals, rates, fees and changes for the use of the Airports and Net Revenues in the Fiscal Year in which such adjustments are made are less than the amount specified in Section 604(a); and

(f) if the Authority shall institute proceedings to be adjudicated a bankrupt or insolvent, or shall consent to the institution of bankruptcy or insolvency proceedings against it, or shall file a petition or answer or consent seeking reorganization or relief under the federal Bankruptcy Code or any other similar applicable federal or state law, or shall consent to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Authority or of any substantial part of its property, or shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due.

Section 702. No Acceleration; No Cross Defaults.

There shall be no rights of acceleration with respect to the Bonds. An Event of Default with respect to one Series of Bonds shall not cause an Event of Default with respect to any other Series of Bonds unless such event or condition on its own constitutes an Event of Default with respect to such other Series of Bonds pursuant to Section 701 hereof.

Section 703. Remedies and Enforcement of Remedies.

(a) Subject to the provisions of Section 713 hereof, upon the occurrence and continuance of any Event of Default with respect to a Series of Bonds, the Trustee may or, upon the written request of the Holders of not less than 25% in an aggregate principal amount of the Bonds of such Series, together with indemnification of the Trustee to its satisfaction therefor shall, proceed forthwith to protect and enforce its rights and the rights of the Bondholders

hereunder and under the Acts and such Bonds by such suits, actions or proceedings, as the Trustee, being advised by counsel, shall deem expedient, including but not limited to:

- (i) Civil action to recover money or damages due and owing;
- (ii) Civil action to enjoin any acts or things, which may be unlawful or in violation of the rights of the Holders of such Bonds; and
- (iii) Enforcement of any other right of such Bondholders conferred by law, including the Acts, or hereby, including, without limitation, by suit, action, injunction, mandamus or other proceedings to enforce and compel the performance by the Authority of actions required by the Acts or the Indenture, including the fixing, changing and collection of fees or other charges.

(b) Subject to the provisions of Section 713, regardless of the happening of an Event of Default, the Trustee, if requested in writing by the Holders of not less than 25% in aggregate principal amount of the Bonds of a Series, shall upon being indemnified to its satisfaction therefor, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient (i) to prevent any impairment of the security hereunder by any acts or omissions to act which may be unlawful or in violation hereof, or (ii) to preserve or protect the interests of the Holders, provided that such request is in accordance with law and the provisions hereof and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of the Holders of Bonds of each Series not making such request.

(c) Notwithstanding anything else in this Section, the remedies herein provided for with respect to reaching Funds or Accounts hereunder shall be limited to the Funds or Accounts hereunder pledged to the applicable Series of Bonds with respect to which an Event of Default exists.

Section 704. Application of Revenues and Other Moneys After Default.

During the continuance of an Event of Default with respect to any Series of Bonds, all moneys held and received by the Trustee with respect to such Series of Bonds pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings which result in the collection of such moneys and of the fees, expenses and advances incurred or made by the Trustee with respect thereto, be applied according to the accrued debt service deposits or payments with respect to each such Series as follows; provided, however, that any money drawn under a Credit Facility, if any, and amounts held in Accounts in the Bond Fund and the Debt Service Reserve Fund shall be applied solely to pay interest or principal, as applicable, on the related Series of Bonds:

(a) Unless the principal of all such Outstanding Bonds shall have become due and payable:

First: To the payment to the persons entitled thereto of all installments of interest then due on such Bonds in the order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the

same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal amounts of any such Bonds which shall have become due (other than Bonds previously called for redemption for the payment of which moneys are held pursuant to the provisions hereof), whether at maturity or by proceedings for redemption or otherwise or upon the tender of any Bond pursuant to the terms of the Supplemental Indenture providing for the issuance of such Bond, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Bonds of such Series due on any date, then to the payment thereof ratably, according to the principal amounts due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all such Outstanding Bonds shall have become due and payable, to the payment of the principal and interest then due and unpaid upon such Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any such Bond over any other such Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by it at such times, and from time to time, as the Trustee shall determine in accordance with the Indenture, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be a Bond Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the principal amounts to be paid on such dates shall cease to accrue if so paid. The Trustee shall give such notice as it may deem appropriate in accordance with the Indenture of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement of any partial payment or for cancellation if fully paid.

Whenever all installments of interest then due on the Bonds and all unpaid principal amounts of any Bonds that shall have become due have been paid under the provisions of this Section and all expenses and charges of the Trustee have been paid, and each Credit Provider, if any, has been reimbursed for all amounts drawn under the applicable Credit Facility, if any, and used to pay principal, premium, if any, and interest on the Bonds, the Trustee shall resume making the transfers from the Revenue Fund in the amounts and according to the priority set forth in Section 511 hereof. If all Bonds and the interest thereon have been paid in full, together with all expenses and charges of the Trustee and amounts owing to any Credit Provider for draws under its Credit Facility, and no credit enhancement or liquidity support shall be outstanding, any balance remaining shall be paid to such Credit Provider to the extent any other amounts are then owing to such Credit Provider under the applicable Reimbursement Agreement, then the balance shall be paid by the Trustee, *first* to the extent required to be paid to the Subordinated Indenture Trustee under Section 511 hereof, *next* to the Junior Lien Obligations Fund in the amounts

required under Section 511 hereof, and any remaining balance shall be paid as otherwise required by Section 511 hereof, and if not so required, to the Authority or as a court of competent jurisdiction may direct.

Section 705. Remedies Not Exclusive.

No remedy by the terms hereof conferred upon or reserved to the Trustee or the Bondholders or any Credit Provider is intended to be exclusive of any other remedy but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or existing at law or in equity or by statute, including the Acts, on or after the date hereof.

Section 706. Remedies Vested in Trustee.

All rights of action (including the right to file proof of claims) hereunder or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceeding instituted by the Trustee may be brought in its name as the Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds. Subject to the provisions of Section 704, any recovery or judgment shall be for the equal benefit of the Holders of the Outstanding Bonds.

Section 707. Control of Proceedings.

(a) If an Event of Default with respect to a Series of Bonds shall have occurred and be continuing, the Holders of a majority in aggregate principal amount of Bonds of such Series then Outstanding shall have the right, at any time, by any instrument in writing executed and delivered to the Trustee to direct the method and place of conducting any proceeding to be taken with respect to funds or assets solely securing such Series in connection with the enforcement of the terms and conditions hereof, provided that such direction is in accordance with law and the provisions hereof (including indemnity to the Trustee as provided herein) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of Bondholders of each Series of Bonds not joining in such direction and provided further that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action hereunder which it may deem proper and which is not inconsistent with such direction by Bondholders.

(b) If an Event of Default with respect to all Series of Bonds shall have occurred and be continuing, the Holders of a majority in aggregate principal amount of all Bonds then outstanding shall have the right, at any time, by any instrument in writing executed and delivered to the Trustee to direct the method and place of conducting any proceeding to be taken with respect to Net Revenues or other assets securing all Bonds in connection with the enforcement of the terms and conditions hereof, provided that such direction is in accordance with law and the provisions hereof (including indemnity to the Trustee as provided herein) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of Bondholders not joining in such direction and provided further that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action hereunder which it may deem proper in accordance with the Indenture and which is not inconsistent with such direction by Bondholders.

Section 708. Individual Bondholder Action Restricted.

(a) No Holder of any Bond of a Series shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement hereof or for the execution of any trust hereunder or for any remedy hereunder unless:

(i) an Event of Default has occurred with respect to such Series (a) under subsection (a), (b) or (c) of Section 701 of which the Trustee is deemed to have notice, or (b) under subsection (d), (e) or (f) of Section 701 as to which a Responsible Officer has actual knowledge or as to which the Trustee has been notified in writing by the Authority;

(ii) the Holders of at least 25% in aggregate principal amount of Bonds of such Series then Outstanding shall have made written request to the Trustee to proceed to exercise the powers granted herein or to institute such action, suit or proceeding in its own name;

(iii) such Bondholders shall have offered the Trustee indemnity as provided in Section 802 hereof;

(iv) the Trustee shall have failed or refused to exercise the powers herein granted or to institute such action, suit or proceedings in its own name for a period of 60 days after receipt by it of such request and offer of indemnity; and

(v) during such 60-day period no direction inconsistent with such written request has been delivered to the Trustee by the Holders of a majority in aggregate principal amount of Bonds of such Series then Outstanding in accordance with Section 707 hereof.

(b) No one or more Holders of Bonds of such Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security hereof or to enforce any right hereunder except in the manner herein provided and for the equal benefit of the Holders of all Bonds of such Series then Outstanding.

(c) Nothing contained herein shall affect or impair, or be construed to affect or impair, the right of the Holder of any Bond of such Series (i) to receive payment of the principal of or interest on such Bond on or after the due date thereof or (ii) to institute suit for the enforcement of any such payment on or after such due date; provided, however, no Holder of any Bond of such Series may institute or prosecute any such suit or enter judgment therein if, and to the extent that, the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien hereof on the moneys, funds and properties pledged hereunder for the equal and ratable benefit of all Holders of Bonds of such Series.

Section 709. Termination of Proceedings.

In case any proceeding taken by the Trustee on account of an Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or to the Bondholders, then the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceeding had been taken.

Section 710. Waiver of Event of Default.

(a) No delay or omission of the Trustee, of any Holder of the Bonds or, if provided by Supplemental Indenture, any Credit Provider to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee, the Holders of the Bonds and, if provided by Supplemental Indenture, any Credit Provider, respectively, may be exercised from time to time and as often as may be deemed expedient by them.

(b) The Trustee, with the consent of any Credit Provider, if provided by Supplemental Indenture (provided, however, that such Credit Provider's consent may be required only in connection with an Event of Default on a Series of Bonds with respect to which such Credit Provider is providing a Credit Facility), may waive any Event of Default with respect to the Bonds, that in its opinion, shall have been remedied at any time, regardless of whether any suit, action or proceeding has been instituted, before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof, or before the completion of the enforcement of any other remedy hereunder.

(c) Notwithstanding anything contained herein to the contrary, the Trustee, upon the written request of the Credit Provider, if any, if provided by Supplemental Indenture, with respect to an Event of Default which applies only to the related Series of Bonds, (ii) Holders of at least a majority of the aggregate principal amount of Bonds of a Series then Outstanding with respect to any Event of Default which applies only to such Series, with the consent of the applicable Credit Provider, if any, if provided by Supplemental Indenture or (iii) Holders of at least a majority of the aggregate principal amount of Bonds then Outstanding with respect to any Event of Default which applies to all Bonds, shall waive any such Event of Default hereunder and its consequences; provided, however, that a default in the payment of the principal amount of, premium, if any, or interest on any such Bond, when the same shall become due and payable by the terms thereof or upon call for redemption, may not be waived without the written consent of the Holders of all the Bonds then Outstanding of such Series to which an event of Default applies and any consent of the applicable Credit Provider, if any, if provided by Supplemental Indenture.

(d) In case of any waiver by the Trustee of an Event of Default hereunder, the Authority, the Trustee, the Bondholders and, if provided by Supplemental Indenture, the Credit Provider shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right

consequent thereon. The Trustee shall not be responsible to any one for waiving or refraining from waiving any Event of Default in accordance with this Section.

Section 711. Notice of Default.

(a) Promptly, but in any event within 30 days after (i) the occurrence of an Event of Default with respect to a Series of Bonds under Section 701 (a), (b) or (c), of which the Trustee hereby is deemed to have notice, or (ii) receipt, in writing or otherwise, by a Responsible Officer of actual knowledge or notice of an Event of Default with respect to a Series of Bonds under Section 701 (d), (e) or (f), the Trustee shall, unless such Event of Default shall have theretofore been cured, give written notice thereof by first class mail to each Holder of Bonds of such Series then Outstanding, provided that, except in the case of a default in the payment of principal amounts, Sinking Fund installments, or the redemption price of or interest on any of the Bonds of such Series, the Trustee may withhold such notice to such Holders if, in its sole judgment in accordance with the Indenture, it determines that the withholding of such notice is in the best interest of the Holders of such Series of Bonds.

(b) The Trustee shall promptly notify the Authority, the Registrar and any Credit Provider, if provided by Supplemental Indenture, of (i) the occurrence of an Event of Default under Section 701(a), (b) or (c), and (ii) when any Responsible Officer has received actual knowledge or notice from the Authority, in writing or otherwise, of an Event of Default under Section 701(d), (e) or (f).

Section 712. Limitations on Remedies.

It is the purpose and intention of this Article to provide rights and remedies to the Trustee and Bondholders which lawfully may be granted under the provisions of the Acts, but should any right or remedy herein granted be held to be unlawful, the Trustee and the Bondholders shall be entitled as above set forth, to every other right and remedy provided in this Indenture and by law.

Section 713. Credit Providers to Control Remedies.

While a Credit Facility with respect to a Series of Bonds is in effect, notwithstanding anything else herein to the contrary, a Supplemental Indenture may provide that no right, power or remedy hereunder with respect to such Series of Bonds may be pursued without the prior written consent of such Credit Provider and a Supplemental Indenture may provide that the Credit Provider shall have the right to direct the Trustee to pursue any right, power or remedy available hereunder with respect to any assets available hereunder which secure no Bonds other than the Series of Bonds secured by such Credit Facility, including, without limitation, any right, power or remedy with respect to Net Revenues or other assets securing all Bonds.

Section 714. Inconsistent or Lack of Directions in Default.

Notwithstanding anything else herein to the contrary, if any applicable Credit Providers or Holders of separate Series in Default do not direct remedies or proceedings to be taken pursuant to this Article, the Trustee shall take whatever action, if any, pursuant to Section 706 it

deems to be in the best interest of Bondholders without regard to the existence of any Credit Facility that may exist with respect to any or all Bonds.

Section 715. Funds in Event of Default.

Upon the occurrence of an Event of Default and at all times thereafter while such default shall continue, the Trustee shall take possession of the Construction Fund.

ARTICLE VIII THE TRUSTEE

Section 801. Acceptance of Trust; General.

By execution hereof or by authenticating one or more Bonds, the Trustee shall evidence its acceptance of the powers, duties and obligations of the Trustee only as are specifically set forth herein. The Trustee shall have no duty, responsibility or obligation for the issuance of Bonds or for the validity or exactness hereof, or of any other document relating to such issuance. The Trustee shall have no duty, responsibility or obligation for the payment of Bonds except for payment in accordance with the terms and provisions hereof from, and to the extent of, funds which are held in trust by the Trustee for the purpose of such payment.

Prior to an Event of Default and after the curing or waiving of all Events of Default which may have occurred, the Trustee shall not be liable except for the performance of such duties as are specifically set forth herein. The Trustee shall have no liability for any act or omission to act hereunder, or under any other instrument or document executed pursuant hereto except for the Trustee's own negligent action, its own negligent failure to act or its own willful misconduct. The duties and obligations of the Trustee shall be determined solely by the express provisions hereof, and no implied powers, duties or obligations of the Trustee shall be read into this Indenture.

During an Event of Default, the Trustee shall exercise such of the rights and powers vested in it hereby, and shall use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

The Trustee shall not be required to expend or risk its own funds or otherwise incur individual liability in the performance of any of its duties or in the exercise of any of its rights or powers as the Trustee, except as may result from its own negligent action, its own negligent failure to act or its own willful misconduct.

Notwithstanding any other provision hereof, the Trustee shall have no liability for any (a) error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts or (b) action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in principal amount of Bonds then Outstanding, then existing relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee hereunder.

Section 802. Trustee Not Required to Take Action Unless Indemnified.

Except as expressly required herein (including the requirements of the next sentence) the Trustee neither shall be required to institute any suit or action or other proceeding in which it may be a defendant, nor to take any steps to enforce its rights and expose it to liability, nor shall the Trustee be deemed liable for failure to take any such action, unless and until it shall have been indemnified, to its satisfaction, against any and all reasonable costs, expenses, outlays, counsel and other fees, other disbursements including its own reasonable fees and against all liability and damages. The Trustee nevertheless, may begin suit, or appear in and defend suit, or do anything else which in its judgment is proper to be done by it as the Trustee, without prior assurance of indemnity, and in such case the Authority shall reimburse the Trustee for all reasonable costs, expenses, outlays, counsel and other fees, and other reasonable disbursements including its own fees, and for all liability and damages suffered by the Trustee in connection therewith, except for the Trustee's own negligent action, its own negligent failure to act, its own willful misconduct or self-dealing constituting a breach of trust under applicable law. If the Trustee begins, appears in or defends such a suit, the Trustee shall give reasonably prompt notice of such action to the Authority and shall give such notice prior to taking such action if possible. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself for any such costs and expenses in accordance with Section 704 hereof.

Section 803. Employment of Experts.

The Trustee is hereby authorized to employ as its agents such attorneys at law, and other qualified independent consultants (who are not employees of the Trustee), as it may deem necessary to carry out any of its obligations hereunder, and shall be reimbursed by the Authority for all reasonable expenses and charges in so doing. The Trustee shall not be responsible for any misconduct or negligence of any such agent appointed with due care by the Trustee.

Section 804. Enforcement of Performance by Others.

It shall not be the duty of the Trustee, except as herein specifically provided, to seek the enforcement of any duties and obligations herein imposed upon the Authority.

Section 805. Right to Deal in Bonds and Take Other Actions.

The Trustee may in good faith buy, sell or hold and deal in any Bonds with like effect as if it were not such Trustee and may commence or join in any action which a Holder is entitled to take with like effect as if the Trustee were not the Trustee. It is understood and agreed that the Trustee engages in a general banking business and no provision hereof is to be construed to limit or restrict the right of the Trustee to engage in such business with the Authority or any Holder. So engaging in such business shall not, in and of itself, and so long as the Trustee duly performs all of its duties as required hereby, constitute a breach of trust on the part of the Trustee.

Section 806. Removal and Resignation of Trustee.

The Trustee may resign at any time. Written notice of such resignation shall be given to the Authority and such resignation shall take effect upon the appointment and qualification of a

successor Trustee. In the event a successor Trustee has not been appointed and qualified within 60 days after the date notice of resignation is given, the Trustee or the Authority may apply to any court of competent jurisdiction for the appointment of a successor Trustee to act until such time as a successor is appointed as provided in this Section.

In addition, the Trustee may be removed at any time by the Authority but only for cause by Supplemental Indenture so long as (a) no Event of Default shall have occurred and be continuing and (b) the Authority determines, in such Supplemental Indenture, that the removal of the Trustee shall not have an adverse effect upon the rights or interests of the Bondholders.

In the event of the resignation or removal of the Trustee or in the event the Trustee is dissolved or otherwise becomes incapable to act as the Trustee, the Authority shall be entitled to appoint a successor Trustee. In such event, the successor Trustee shall cause notice to be mailed to the Holders of all Bonds then outstanding in such manner deemed appropriate by the Authority. If the Trustee resigns, the resigning Trustee shall pay for such notice. If the Trustee is removed, is dissolved, or otherwise becomes incapable of acting as Trustee, the Authority shall pay for such notice.

Unless otherwise ordered by a court or regulatory body having competent jurisdiction, or unless required by law, any successor Trustee shall be a trust company or bank having the powers of (a) a trust company as to trusts, qualified to do and doing trust business within or without the Commonwealth of Virginia and having an officially reported combined capital, surplus, undivided profits and reserves aggregating at least \$25,000,000, or (b) a subsidiary trust company under the Trust Subsidiary Act, Title 6.1, Article 3.1, of the Virginia Code, whose parent Virginia bank holding company has undertaken to be responsible for the acts of such subsidiary trust company pursuant to the provisions of Virginia Code Section 6.1-32.7(a) or any successor provision of law, and whose combined capital, surplus and undivided profits, together with that of its parent Virginia bank or bank holding company, as in the case may be, aggregate not less than \$25,000,000, if there is such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Every successor Trustee howsoever appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Authority an instrument in writing, accepting such appointment hereunder, and thereupon such successor Trustee, without further action, shall become fully vested with all the rights, immunities, powers, trusts, duties and obligations of its predecessor, and such predecessor shall execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of such predecessor. The predecessor Trustee shall execute any and all documents necessary or appropriate to convey all interest it may have to the successor Trustee. The predecessor Trustee promptly shall deliver all records relating to the trust or copies thereof and communicate all material information it may have obtained concerning the trust to the successor Trustee.

Each successor Trustee, not later than 10 days after its assumption of the duties hereunder, shall mail a notice of such assumption to each Holder of a registered Bond.

Section 807. Proof of Claim.

The Trustee shall have the right and power to act in its name or in the name and place of the Authority or Holders to make proof of claim in any proceeding, bankruptcy, reorganization or otherwise where proof of claim may be required. Any amount recovered by the Trustee as a result of any such claim, after payment of all fees (including reasonable attorneys' fees), costs, expenses and advances incurred by the Trustee or its agents in pursuing such claim, shall be for the equal benefit of all the Holders of Bonds Outstanding.

Section 808. Trustee's Fees and Expenses.

The Authority hereby agrees to pay fees to and expenses of the Trustee for its services hereunder as agreed to by the Authority and the Trustee pursuant to the terms of a separate agreement. Any provision hereof to the contrary notwithstanding, if the Authority fails to make any payment properly due the Trustee for its reasonable fees, costs, expenses and fees of attorneys, certified public accountants, recognized authorities in their field and agents (not employees of the Trustee) incurred in performance of its duties, the Trustee may reimburse itself from any surplus moneys on hand in any Fund or Account held by it, other than any amounts in the Bond Fund.

Section 809. Reliance Upon Documents.

In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely upon and shall be protected in acting or refraining from acting in reliance upon any document, including but not limited to any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper officials of the Authority, the Holders or agents or attorneys of the Holders; provided, in the case of any such document specifically required to be furnished to the Trustee hereby, the Trustee shall be under a duty to examine the same to determine whether it conforms to the requirements hereof. The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond or other paper or document submitted to the Trustee; provided, however, the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may deem prudent. Whenever in the administration hereof, the Trustee shall deem it desirable that a matter be provided or established prior to taking or not taking any action hereunder, the Trustee (unless other evidence be specifically prescribed herein) may rely upon any document provided for in the Indenture.

Except where other evidence is required hereby, any request or direction of the Authority mentioned herein shall be sufficiently evidenced by a certified copy of such request executed by an Authority Representative.

Section 810. Recitals and Representations.

The recitals, statements and representations contained herein or in any Bond shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the

Trustee neither assumes nor shall be under any responsibility for the correctness of the same other than the Trustee's certification of authentication of any Bonds as to which it is Authenticating Agent.

The Trustee makes no representation as to, and is not responsible for, the validity or sufficiency hereof or, except as herein required, the filing or recording or registering of any document. The Trustee shall be deemed not to have made representations as to the security afforded hereby or hereunder or as to the validity or sufficiency of such document. The Trustee shall not be concerned with or accountable to anyone for the use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof. The Trustee shall not be responsible or liable for any loss suffered in connection with the investment of any funds made by it in accordance with the provisions hereof. Except with respect to Events of Default described in Section 701(a) and (b) hereof, the Trustee shall have no duty of inquiry with respect to any default which constitutes or with notice or lapse of time or both would constitute an Event of Default without actual knowledge of a Responsible Officer or receipt by the Trustee of written notice of a default which constitutes or with notice or lapse of time or both would constitute an Event of Default from the Authority or any Holder.

Section 811. Destruction of Bonds.

Upon payment of or surrender to the Trustee for cancellation of any Bond, the Trustee shall destroy or register the cancellation of such Bond. At least annually the Trustee shall deliver a certificate of such destruction or cancellation to the Authority. Upon surrender of any Bond to a Paying Agent for payment, such Bond shall be cancelled by the Paying Agent and delivered to the Trustee for destruction or register of cancellation.

Section 812. Reports.

The Trustee monthly shall prepare and submit to the Authority reports covering all moneys received and all payments, expenditures and investments made as the Trustee hereunder since the last previous such report.

Section 813. Paying Agent, Authenticating Agent and Registrar.

The Authority may appoint a Paying Agent, an Authenticating Agent and a Registrar with respect to a Series of Bonds in the Supplemental Indenture pursuant to which such Series is issued. Each Paying Agent, Authenticating Agent and Registrar shall (i) designate to the Trustee its principal office and (ii) signify its acceptance of the duties and obligations imposed upon it hereunder and under such Supplemental Indenture by written instrument of acceptance delivered to the Authority and the Trustee. The Trustee is, in addition, authorized and directed to enter into an agreement with each Paying Agent as to such Paying Agent's rights and duties (the "*Paying Agent Agreement*").

Each Paying Agent shall exercise its duties in accordance with the terms of and shall have the protection provided to the Trustee in this Indenture.

If any Paying Agent, Authenticating Agent or Registrar shall resign or be removed, the Authority shall designate a successor. If the Authority shall designate a successor, then, upon the Trustee's receipt of the written designation and the written acceptance of such designated successor, such entity shall thereupon, without further action by the Authority, be appointed as successor Paying Agent, Authenticating Agent and Registrar.

In the event that any Paying Agent, Authenticating Agent or Registrar shall resign or be removed, or be dissolved, or if the property or affairs of any Paying Agent, Authenticating Agent or Registrar shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and no successor shall have been appointed, the Trustee shall, *ipso facto* be deemed to be any Paying Agent, Authenticating Agent or Registrar, until the appointment of a successor.

Any corporation into which any Paying Agent, Authenticating Agent or Registrar may be merged or converted or with which it may be consolidated, or any corporation resulting from any such merger, consolidation or conversion, or succeeding to the corporate trust business of Paying Agent, Authenticating Agent or Registrar, shall be the successor of the Paying Agent, the Authenticating Agent and the Registrar if such successor corporation is otherwise eligible under this Section, without the execution or filing of any further act on the part of the Trustee or the entity serving as Paying Agent, the Authenticating Agent and the Registrar or such successor corporation.

Section 814. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

ARTICLE IX SUPPLEMENTAL INDENTURES

Section 901. Supplemental Indentures Not Requiring Consent of Bondholders.

The Authority and the Trustee may, without the consent of or notice to any of the Holders, enter into one or more Supplemental Indentures for one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission herein;
- (b) to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising hereunder that shall not materially adversely affect the interests of the Holders;

(c) to grant or confer upon the Holders any additional rights, remedies, powers or authority that may lawfully be granted or conferred upon them;

(d) to secure additional revenues or provide additional security or reserves for payment of the Bonds;

(e) to preserve the excludibility of interest on any Bonds from gross income for purposes of federal income taxes, or to change the tax covenants set forth in Section 510 or 610 hereof, pursuant to an Opinion of Bond Counsel that such action will not affect adversely such excludibility;

(f) to provide for the issuance of, and to set the terms and details of, each Series of Bonds hereunder, including covenants and provisions included therein which do not violate the terms of this Indenture;

(g) to remove the Trustee in accordance with the second paragraph of Section 806 hereof;

(h) to add requirements the compliance with which is required by a Rating Agency in connection with issuing a rating with respect to any Series of Bonds;

(i) to accommodate the technical, operational and structural features of Bonds which are issued or are proposed to be issued or of a Program which has been authorized or is proposed to be authorized, including, but not limited to, changes needed to accommodate bond anticipation notes, commercial paper, auction Bonds, Hedge Facilities, Short-Term/Demand Obligations and other variable rate or adjustable rate Bonds, Capital Appreciation Bonds, Original Issue Discount Bonds and other discounted or compound interest Bonds or other forms of indebtedness which the Authority from time to time deems appropriate to incur;

(j) to accommodate the use of a Credit Facility for specific Bonds or a specific Series of Bonds; and

(k) to comply with the requirements of the Code as are necessary, in the Opinion of Bond Counsel, to prevent the federal income taxation of the interest on any of the Bonds, including, without limitation, the segregation of Revenues into different funds.

Section 902. Supplemental Indentures Requiring Consent of Bondholders.

(a) Other than Supplemental Indentures referred to in Section 901 hereof and subject to the terms and provisions and limitations contained in this Article and not otherwise, the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding may consent to or approve, from time to time, which consent or approval shall be in writing and shall not be withheld unreasonably, anything contained herein to the contrary notwithstanding, the execution by the Authority and the Trustee of such Supplemental Indentures as shall be deemed necessary and desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in this Indenture; provided, that if any Supplemental Indenture modifying, altering, amending, adding to or

rescinding any of the terms and provisions of this Indenture contains provisions which affect the rights and interests of less than all Series of Bonds and Section 901 is not applicable, then such Supplemental Indenture shall require the consent only of the Holders of a majority in Outstanding principal amount of the Series of Bonds so affected; and provided further, that nothing in this Section shall permit or be construed as permitting a Supplemental Indenture which would:

(i) extend the stated maturity of or time for paying the interest on any Bond or reduce the principal amount of or the redemption premium or rate of interest payable on any Bond without the consent of the Holder of such Bond;

(ii) prefer or give a priority to any Bond over any other Bond without the consent of the Holder of each Bond then Outstanding not receiving such preference or priority; or

(iii) reduce the aggregate principal amount of Bonds then Outstanding the consent of the Holders of which is required to authorize such Supplemental Indenture without the consent of the Holders of all Bonds then Outstanding.

(b) If at any time the Authority shall request the Trustee to enter into a Supplemental Indenture pursuant to this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed modifications, alterations, amendments, additions to or rescissions of the provisions of this Indenture to be mailed by first class mail, postage prepaid, to all Holders of Bonds of any affected Series then outstanding at their addresses as they appear on the registration books herein provided for. The Trustee, however, shall not be subject to any liability to any Bondholder by reason of its failure to mail, or the failure of such Bondholder to receive, the notice required by this Section, and any such failure shall not affect the validity of any Supplemental Indenture when consented to and approved as provided in this Section. Such notice shall set forth briefly the nature of the proposed modifications, alterations, amendments, additions to or rescissions of the provisions of this Indenture and shall state that copies thereof are on file at the office of the Trustee for inspection by all Bondholders. It shall not be required that Bondholders approve the final form of such Supplemental Indenture, but it shall be sufficient if such Bondholders approve the substance thereof.

(c) If within such period as shall be prescribed by the Authority, following the first giving of a notice as provided in subsection 902(b) above, the Trustee shall receive an instrument or instruments purporting to be executed by the Holders of not less than the aggregate principal amount or number of Bonds specified in subsection 902(a) for the Supplemental Indenture in question which instrument or instruments shall refer to the proposed modifications, alterations, amendments, additions to or rescissions of the provisions of this Indenture described in such notice and shall specifically consent to and approve the execution of a Supplemental Indenture or Supplemental Indentures effecting such changes, thereupon, the Trustee may execute any such Supplemental Indenture without liability or responsibility to any Holder of any Bond, regardless of whether such Holder shall have consented thereto.

(d) Any such consent shall be irrevocable for a period of one year (or such longer period as shall be set forth in such consent) and shall be binding upon the Holder of the Bond giving such consent and upon any subsequent Holder of such Bond and of any Bond issued in exchange therefor (regardless of whether such subsequent Holder thereof has notice thereof), unless after such one year (or longer) period, such consent is revoked in writing by the Holder of such Bond giving such consent or by a subsequent Holder thereof by filing with the Trustee, prior to the execution by the Trustee of such Supplemental Indenture, such revocation. At any time after the Holders of the required principal amount or number of Bonds shall have filed their consents to the execution of such a Supplemental Indenture, the Trustee shall make and file with the Authority a written statement to that effect. Such written statement shall be conclusive that such consents have been so filed.

(e) If the Holders of the required principal amount or number of the Bonds Outstanding shall have consented to and approved the proposed modifications, alterations, amendments, additions to or rescissions of the provisions of this Indenture and the execution of such Supplemental Indenture as herein provided, no Holder of any Bond shall have any right to object to the execution thereof, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or restrain the Trustee or the Authority from executing the same or taking any action pursuant to the provisions thereof.

Section 903. Execution and Effect of Supplemental Indentures.

(a) In executing any Supplemental Indenture permitted by this Article, the Trustee shall be entitled to receive and to rely upon an Opinion of Counsel stating that the execution of such Supplemental Indenture is authorized or permitted hereby. The Trustee may but shall not be obligated to enter into any such Supplemental Indenture which affects the Trustee's own rights, duties or immunities.

(b) Upon the execution and delivery of any Supplemental Indenture in accordance with this Article, the provisions hereof shall be modified in accordance therewith and such Supplemental Indenture shall form a part hereof for all purposes and every Holder of a Bond theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

(c) Any Bond authenticated and delivered after the execution and delivery of any Supplemental Indenture in accordance with this Article may, and if required by the Authority or the Trustee shall, bear a notation in form approved by the Authority and Trustee as to any matter provided for in such Supplemental Indenture. If the Authority shall so determine, new Bonds so modified as to conform in the opinion of the Trustee and the Authority to any such Supplemental Indenture may be prepared and executed by the Authority and authenticated and delivered by the Trustee in exchange for and upon surrender of the Bonds then Outstanding.

ARTICLE X
SATISFACTION AND DISCHARGE

Section 1001. Discharge.

If payment of all principal of, premium, if any, and interest on a Series of Bonds in accordance with their terms and as provided herein is made, or is provided for in accordance with this Article, and if all other sums payable by the Authority hereunder with respect to such Series of Bonds shall be paid or provided for, then the liens, estates and security interests granted hereby shall cease with respect to such Series; provided, however, that the rebate provisions, if any, of the related Supplemental Indenture shall survive so long as there is any amount due to the federal government pursuant to the provisions of such Supplemental Indenture. Thereupon, upon the request of the Authority, and upon receipt by the Trustee of an Opinion of Counsel stating that all conditions precedent to the satisfaction and discharge as provided above of the lien hereof have been satisfied with respect to such Series of Bonds, the Trustee shall execute and deliver proper instruments acknowledging such satisfaction and discharging the lien hereof with respect to such Series of Bonds. If the lien hereof has been discharged with respect to all Series of Bonds, the Trustee shall transfer all property held by it hereunder, other than moneys or obligations held by the Trustee for payment of amounts due or to become due on the Bonds to the Authority or such other person as may be entitled thereto as their respective interests may appear. Such satisfaction and discharge shall be without prejudice to the rights of the Trustee thereafter to charge and be compensated or reimbursed for services rendered and expenditures incurred in connection herewith.

The Authority may at any time surrender to the Trustee for cancellation any Bonds previously authenticated and delivered which the Authority at its option may have acquired in any manner whatsoever and such Bond upon such surrender and cancellation shall be deemed to be paid and retired.

Section 1002. Providing for Payment of Bonds.

Payment of the Bonds or any Series of Bonds may be provided for by the deposit with the Trustee of moneys, noncallable Governmental Obligations, noncallable Government Certificates or pre-refunded municipal obligations described in paragraph (c) of the definition of Permitted Investments in Section 101 hereof, or any combination thereof. Payment of the Bonds or any Series of Bonds shall be so provided for when the aggregate of amounts in the applicable Account of the Debt Service Reserve Fund together with other amounts available for such purpose hereunder is sufficient to so provide. The moneys and the maturing principal and interest income on such Government Obligations, noncallable Government Certificates or pre-refunded municipal obligations, if any, shall be sufficient and available to pay when due the principal of, whether at maturity or upon fixed redemption dates, and premium, if any, and interest on such Bonds. The moneys, Government Obligations, noncallable Government Certificates and pre-refunded municipal obligations shall be held by the Trustee irrevocably in trust for the Holders of such Bonds solely for the purpose of paying the principal or redemption price of, including premium, if any, and interest on such Bonds as the same shall mature or become payable upon prior redemption, and, if applicable, upon simultaneous direction,

expressed to be irrevocable, to the Trustee as to the dates upon which any such Bonds are to be redeemed prior to their respective maturities.

The Trustee shall receive an accountant's verification report as to the sufficiency of moneys and investments to provide for payment of a Series of Bonds in the case of a defeasance thereof.

If payment of a Series of Bonds is so provided for, the Trustee shall mail a notice so stating to each Holder of such Bond.

Bonds the payment of which has been provided for in accordance with this Section shall no longer be deemed Outstanding hereunder. The obligation of the Authority in respect of such Bonds shall nevertheless continue but the Holders thereof shall thereafter be entitled to payment only from the moneys, Government Obligations, Government Certificates and pre-refunded municipal obligations deposited with the Trustee to provide for the payment of such Bonds.

No Bond may be so provided for if, as a result thereof or of any other action in connection with which the provision for payment of such Bond is made, the interest payable on any Bond with respect to which an opinion of Bond Counsel has been rendered that such interest is excluded from gross income for federal income tax purposes is made subject to federal income taxes. The Trustee shall receive and may rely upon an opinion of Bond Counsel (which opinion may be based upon a ruling or rulings of the Internal Revenue Service) to the effect that the provisions of this paragraph will not be breached by so providing for the payment of any Bonds.

Section 1003. Payment of Bonds After Discharge.

Notwithstanding the discharge of the lien hereof as in this Article, the Trustee nevertheless shall retain such rights, powers and duties hereunder as may be necessary and convenient for the payment of amounts due or to become due on the Bonds, including pursuant to any sinking fund redemptions, and the registration, transfer, exchange and replacement of Bonds as provided herein. Nevertheless, any moneys held by the Trustee or any Paying Agent for the payment of the principal of, premium, if any, or interest on any Bond remaining unclaimed for five years after such payment has become due and payable, or such other period provided by law, whether at maturity or upon proceedings for redemption, shall be disposed of pursuant to the provisions of Section 214 hereof. After discharge of the lien hereof, but prior to payment of such amounts to Holders or as provided pursuant to Section 214 hereof, the Trustee shall invest such amounts in Government Obligations, Government Certificates or pre-refunded municipal obligations described in paragraph (c) of the definition of Permitted Investments in Section 101 at the direction of and for the benefit of the Authority.

ARTICLE XI MISCELLANEOUS

Any request, direction, consent or other instrument provided hereby to be signed and executed by the Bondholders may be in any number of concurrent writings of similar tenor and

may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such request, direction or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes hereof and shall be conclusive in favor of the Trustee and the Authority with regard to any action taken by them, or either of them, under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments in such jurisdiction, that the person signing such writing acknowledged before him the execution thereof, or by the affidavit of a witness of such execution; and

(b) The ownership of all Bonds shall be proved by the Register.

Nothing in this Section shall be construed as limiting the Trustee to the proof herein specified, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient.

Section 1102. Limitation of Rights.

With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any person other than the parties hereto, the Holders of the Bonds and any Paying Agents, Registrars, Authenticating Agents and Credit Providers, if any, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Holders of the Bonds and any Paying Agents, Registrars, Authenticating Agents and Credit Providers, if any, as herein provided.

Section 1103. Notice to Rating Agencies.

The Trustee hereby agrees that if at any time (a) the Authority shall redeem the entire principal amount of the Bonds Outstanding hereunder prior to maturity, (b) a successor Trustee is appointed hereunder, or (c) the Bondholders shall consent to any amendment to this Indenture or shall waive any provision of this Indenture then, in each case, the Trustee promptly will give notice of the occurrence of such event to each Rating Agency rating the Bonds, which notice in the case of an event referred to in clause (c) hereof shall include a copy of such amendment or waiver.

Section 1104. Severability.

If any one or more sections, clauses, sentences or parts hereof shall for any reason be questioned in any court of competent jurisdiction and shall be adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remaining provisions hereof, or the Bonds issued pursuant hereto, but shall be confined to the specific sections, clauses, sentences and parts so adjudged.

Section 1105. Holidays.

When the date on which principal of or interest or premium on any Bond is due and payable is a day which is not a Business Day, payment may be made on Bonds on the next Business Day with effect as though payment were made on the due date, and, if such payment is made, no interest shall accrue from and after such due date. When any other action is provided herein to be done on a day named or within a time period named, and the day or the last day of the period falls on a day other than a Business Day, it may be performed on the next Business Day with effect as though performed on the appointed day or within the specified period.

Section 1106. Governing Law.

This Indenture and the Bonds are contracts made under the laws of the Commonwealth of Virginia and shall be governed and construed in accordance with such laws.

SECURED CUSTODIAL AGREEMENT

This Agreement made as of _____, 20__, by and between _____, a _____ organized and existing under the laws of _____ and having its principal office at _____, as Custodian (the "**Custodian**"), **METROPOLITAN WASHINGTON AIRPORTS AUTHORITY**, having its principal place of business at 1 Aviation Circle, Washington, DC 20001 (the "**Authority**") and **ALLFIRST BANK**, a banking association organized and existing under the laws of the State of Maryland, having its principal place of business at 25 South Charles Street, Baltimore, Maryland 21201, as Trustee (the "**Trustee**") under an Amended and Restated Master Indenture of Trust, as supplemented by a _____ Supplemental Indenture of Trust, dated _____, 20__, between it and the Authority (collectively, the "**Indenture**") with respect to the Authority's \$ _____ Airport System Revenue Bonds, Series ____ (the "**Series ____ Bonds**").

The parties agree as follows:

1. Appointment and Acceptance. The Trustee designates the Custodian, and the Custodian agrees to act, as custodian for the safekeeping of certain bond proceeds, constituting the Series ____ Account in the Construction Fund, as defined in the Indenture, generated from the sale of the Series ____ Bonds, in the form of moneys, instruments, securities, securities accounts, security entitlements and other investment property (the "**Investments**") deposited from time to time in an account or accounts (the "**Custodial Account**"). The Custodian shall hold and maintain possession, or otherwise maintain "control" (as defined in Section 8.8A 106 of the Virginia Uniform Commercial Code), of the Investments for the benefit of the Trustee as bailee and custodian for the Trustee on behalf of the Series ____ Bondholders. This Agreement is intended to effectuate, perfect and maintain the security interest created by the Indenture for the benefit of the Series ____ Bondholders in accordance with, among others, (a) Titles 8.8A and 8.9 of the Virginia Uniform Commercial Code, (b) the United States Treasury Department book entry regulation codified at 31 C.F.R. Part 357, as modified by the amendments promulgated at 61 Fed. Rg 43.626-638 (Aug. 23, 1996) and any and all corresponding book-entry regulations of other government entities and governmental-sponsored enterprises, or (c) other state or federal law, including, if applicable, Section 6.1-81 of the Virginia Code, in the Investments in the Custodial Account so long as such Investments are held in such account, are registered in the name of the custodian, or are delivered for transfer pursuant to Section 8.8A-401 through 407 to the extent covered by that section. No Investment deposited under the terms of this Agreement shall be transferable by negotiation or assignment of the receipt issued therefor. The Custodian shall have authority to deposit any part or all of such Investments, in physical or book-entry form, with any centralized securities depository system with which the Custodian deposits its own customer securities, whether now or hereafter organized.

2. Ownership of Investments. The Authority warrants and represents that the Trustee, on behalf of the Series ____ Bondholders, is the rightful owner of all bearer

Investments deposited in the Custodial Account. Ownership of registered investments is unaffected by this representation; provided, however, any Investments to be registered (other than Investments held through a securities intermediary in the name of the Custodian as custodian under this Agreement).

3. **Authorization and Withdrawal.** Except for the purposes of paying requisitions and making or liquidating investments provided in paragraph 4 below, any and all Investments may be withdrawn from custody hereunder at any time only by delivery to the Trustee, upon the instruction of the Trustee, in accordance with the Indenture. The Authority shall furnish the Custodian a certified copy of a resolution authorizing this Agreement and specimen signatures of each officer authorized to sign on behalf of the Authority as designated by the Chairman or Vice Chairman or President and Chief Executive Officer of the Authority in a written certificate delivered to the Custodian.

4. **Scope of Services; Delivery.** It is agreed that the Custodian shall hold and safely keep the Investments, provide for the physical safety of such Investments (other than Investments in the form of security entitlements or securities accounts) and guard them against theft or other disappearance. It is agreed that the Custodian does not assume any obligation to advise or recommend to the Authority or the Trustee the purchase, retention, sale, exchange or deposit in reorganization or otherwise of any Investments and other property at any time unless provided for by a separate written agreement between the parties. Pursuant to their general undertaking, the Custodian will (i) deliver any Investments held under this Agreement, or proceeds therefrom, to a transfer agent designated by the Authority, (ii) execute purchase or sell instructions as designated by the Authority, (iii) collect interest and other income accruing with respect to Investments held in the account and promptly invest the same in Investments designated by the Authority, and (iv) promptly liquidate Investments and pay drafts or orders drawn against the Custodial Account by an Authority Representative, as defined in the Indenture. Such instructions may, at the Custodian's discretion, be written, oral, by telephone, or other means which the Custodian believes to be genuine, but the Custodian shall not be liable for executing, failing to execute or for any mistake in the execution of any such order, except for negligence or willful misconduct in any case. Treasury Bonds, Notes and Bills and government agencies securities shall be purchased using the delivery vs. payment (DVP) procedure. Notwithstanding anything contained in this Agreement, upon receipt of written notice from the Trustee to the Custodian, attention: _____ or such other officer of the Custodian designated in writing by the Custodian to the Trustee, the Custodian immediately shall stop honoring Authority drafts or orders against the Custodial Account or Authority investment instructions and shall act only in accordance with instructions given by the Trustee with regard to any Investments held under this Agreement, including instructions to transfer such Investments to the Trustee.
