RESOLUTION NO. 99-13

Amendments to the Metropolitan Washington Airports Regulations

WHEREAS, Authority Regulations designate terminal areas available for demonstrations and leafleting on Authority premises, for which permits are required;

WHEREAS, Changes and additions to the terminal facilities at Washington Dulles International Airport Midfield Terminal require redesignation of such areas;

WHEREAS, Physical changes to the old terminal building and experience at Ronald Reagan Washington National Airport have led the staff to recommend more general definitions of such areas at that Airport; and

WHEREAS, The President and Chief Executive Officer proposed for comment in *The Washington Post* of August 12, 1999, amendments to the Metropolitan Washington Airports Regulations that would provide new and revised designations of terminal areas for demonstrations and leafleting;

WHEREAS, A public hearing on these proposed amendments was held August 12, 1999, and

WHEREAS, After consideration of comments from the public, the Authority has determined that such amendments are necessary to reflect changes in facilities at Dulles Airport, and to facilitate administration of the permit program at National Airport; now, therefore, be it

RESOLVED, That the proposed amendments to section 7.6 of the Metropolitan Washington Airports Regulations are adopted with the force and effect of law, to read as set forth below.
