Overview of Contracting Programs

The Metropolitan Washington Airports Authority's Procurement and Contracts Department provides procurement support to the entire Airports Authority to include Ronald Reagan Washington National and Washington Dulles International Airports, the Dulles Toll Road and the Dulles Corridor Metrorail Project (Metrorail Silver Line). It is responsible for all construction contracts at both Airports, as well as the acquisition of goods and services such as architect/engineering services, professional services, specialty consultant services, maintenance services, equipment, vehicles, and furniture.
