

# METROPOLITAN WASHINGTON AIRPORTS AUTHORITY

## RFQ-19-12795 Two Heavy Duty Trucks, Dulles Airport

June 17, 2019

**Notice:** Questions may have been edited for clarity and relevance.

- 1. Question:** Comment was made that the truck models available will be 2020 models.  
**Answer:** The Authority confirms 2020 truck models are desired.
- 2. Question:** Comment was made that 2020 models would have an approximate ETA of 380 to 400 days.  
**Answer:** Quoters are requested to identify the estimated delivery date in the price schedule of the RFQ.
- 3. Question:** Comment requested verification of crew cab description at item 1 of Specification set “A” for crew cab truck.  
**Answer:** A correction has been made to Specification A so that it now identifies crew cab.
- 4. Question:** Comment requested verification of GVWR at item 3 of Specification set “B” for extended cab truck.  
**Answer:** A correction has been made to Specification B so that it now identifies GVWR at 11,300 pounds.
