

RESOLUTION NO. 18-1

Selecting a Firm to Provide Ground Transportation Curbside Management Services at Ronald Reagan Washington National Airport and Washington Dulles International Airport

WHEREAS, In October 2017, staff presented a pre-solicitation paper to the Business Administration Committee regarding the provision of ground transportation curbside management services at Ronald Reagan Washington National Airport (Reagan National) and Washington Dulles International Airport (Dulles International);

WHEREAS, A 25 percent Airport Concessions Disadvantaged Business Enterprise goal was established for this full and open solicitation;

WHEREAS, The new contracts will include optional supplemental services for additional curbside management and compliance for all other permitted ground transportation operators at the Airports as a result of the growth in the number of other ground transportation service providers;

WHEREAS, The Evaluation Committee reviewed and evaluated the proposals submitted in response to the solicitation; and

WHEREAS, The Business Administration Committee received the results of the Evaluation Committee's evaluation of the submitted proposals and a staff recommendation, and recommended that the Board of Directors approve the selection of Technical and Professional Services, Inc. of Westminster, MD; now, therefore, be it

RESOLVED, That the selection of Technical and Professional Services, Inc., to provide ground transportation curbside management services at Reagan National and Dulles International for a base term of two years, with three one-year options, is approved; and

2. That the President and Chief Executive Officer is authorized and directed to enter into contracts with Technical and Professional Services, Inc., consistent with the terms presented to the Business Administration Committee at its January 17, 2018 meeting.

Adopted February 21, 2018
