

## RESOLUTION NO. 18-5

### Awarding a Contract for Datacenter Colocation and Associated Support Services

WHEREAS, The Office of Technology completed Phase 1 of its three-phased infrastructure modernization plan with the relocation of the Airports Authority corporate datacenter in March 2017;

WHEREAS, Phase 2 will establish a fault tolerance network capability among all Airports Authority campuses, as well as hardware and software redundancy and high availability, and a secondary datacenter to be utilized as a Disaster Recovery Site;

WHEREAS, On July 19, 2017, staff presented, and the Business Administration Committee concurred with, pre-solicitation terms to acquire leased space and associated support services for a secondary datacenter;

WHEREAS, In November 2017, a Request for Proposals (RFP) was issued;

WHEREAS, The Evaluation Committee (EC) reviewed and evaluated the proposals submitted in response to the solicitation; and

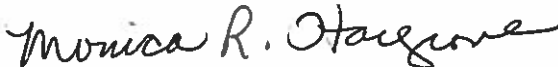

WHEREAS, On February 21, the Business Administration Committee received the results of the evaluation of the proposals and recommended that the Board of Directors approve the award of a contract to QTS Realty Trust, Inc. of Overland Park, Kansas, to provide datacenter colocation and associated support services at its facility in Richmond, Virginia; now, therefore, be it

RESOLVED, That the award of a contract to QTS Realty Trust, Inc. for the provision of datacenter colocation and associated support services for a three-year base term and two one-year option periods with a total potential not-to-exceed contract value of \$3.6 million is approved; and

2. That the President and Chief Executive Officer is authorized and directed to enter into a contract with QTS Realty Trust, Inc. to provide datacenter colocation and associated support services, consistent with the terms presented to the Business Administration Committee on February 21, 2018.

Adopted March 28, 2018
